A message from the Chair

Once again I would remind you that at the **AGM**, all the existing Officers were elected for another year, though three, including myself gave notice that they would not be standing in 2007.

Tony Jandrell has been our National Treasurer for the last 24 years and Eric Dilley, who though officially only the Insurance Advisor continues to keep the Association afloat by acting as our Secretary as he realises the importance of this position.

We need to fill these impending vacancies or the association could well be in serious trouble!

I would once again ask Club Secretaries when they receive this Newsletter, to make it available to all their club members, for how else will they know what is happening at National level!

Pamela Wood has now taken over as the 'Equipment Secretary', responsible for the items we sell. Poached Eggs are now available direct from the association, as we have identified a source in the USA. These are now considerably cheaper at £2.50 (Incl P & P) for 10 and £3.00 (Incl P & P) for 20; larger quantities are available on request. With this Newsletter we are including a copy of the current 'Equipment Order Form' as page 7, which shows the other items of equipment that we stock, including metal 'Halliwick AST logo' lapel badges @ £2 each. This order form is also downloaded from our website: www.halliwick.org.uk/downloads/pubbadgesordfm.doc

As I have said before, please feel free to contact me direct about any item in this **Newsletter**.

If I don't have the answer, I feel sure that I can put you in contact with someone who does!

New Developments - The Schools & Hospitals Committee have some exciting new plans for the future, which will particularly interest those who use Halliwick in a work situation. These include a series of **Study Days**, the first of which will be at Linden Lodge School, Wimbledon Park, London on Oct 7th. A copy of the letter being sent to everyone in the area, who has recently completed a course, is on page 2, with a Poster (*pg 3*) & Programme (*pg 4*). Complete the Request form (*pg 5*) for your details to be included on our mailing list for future events (all affiliated members will automatically be included). All items can also be downloaded from our website: www.halliwick.org.uk/html/whatsnew.htm If this Study Day proves as popular as anticipated, they plan to hold other such events in various parts of the country. *Watch out for a Halliwick Study Day near you!*

Important News - **Criminal Records checks - 'Disclosure'**

People will, by now, be familiar with 'Disclosure'. This is the process whereby Criminal Records checks are undertaken for clubs/members of our Association by **NASCH** as the Registered body. At the end of April we received some disturbing news from NASCH, in that they had de-registered and had communicated direct with our clubs concerned, who were affected by this discussion!

You will remember that we produced and distributed to all affiliated clubs at the end of Nov 2003 our publication 'Safe to Swim' - in 3 parts - which was our definitive guide. At the time, rather than registering ourselves as an umbrella body, which was rather costly, we came to an arrangement with NASCH that they would act as the Registered Umbrella Body with the Criminal Records Bureau. Clubs are therefore at this time unable to use NASCH.

Your National Executive Committee discussed this problem at their last meeting on June 11th and are at present exploring the alternatives and will keep you informed. *In the meantime you may consider approaching your local Council for Voluntary Service (CVS) to see if they can help.*

DATES FOR YOUR DIARY - 2006 - 2007

Schools & Hospitals Committee - Halliwick Study Days

We would like to take this opportunity to let you know of some interesting new developments.

On October 7th we are holding a **Halliwick Study Day** at Linden Lodge, 61 Princes Way, Wimbledon Park, London SW19 6JB, information about which is enclosed. This is the first such Study Day to be held in London, and, if this is as popular as we anticipate, we plan to hold more in different parts of the country. These Study Days are intended for anyone who has done a Halliwick Foundation Course and is using Halliwick in the course of their work, either therapeutically or for swimming teaching. There will be an opportunity to put questions to our Halliwick experts as well as learn more about putting Halliwick into practice, and it will also be a chance to meet others who are using Halliwick, to exchange ideas & experiences. If you are interested in attending, just complete the enclosed form to book yourself a place, and we will then send you full details.

Apart from further Study Days, our plans at present include a Halliwick Paediatric Therapy Course next summer and a Halliwick Adult Therapy Course at sometime in the future.

Attendance at all these and any other events will be open to anyone who has done a basic Halliwick training, but there will be considerable discounts for Affiliated Members of Halliwick AST. Affiliation fee is only £10 per year for an individual or school/department or club, and affiliated membership will also keep you in touch with all the activities of Halliwick AST. Information about affiliation can be found on our website: www.halliwick.org.uk/html/affiliation/affiliation.htm with a form which can be downloaded, or you can request this to be sent on the enclosed form.

Even if you are not able to attend this Study Day, if you would like to hear about future events, please complete the enclosed form and return it to me. We would particularly ask, if you are able, to supply us with an email address, as this is so much easier and quicker for us as well as keeping our costs down, particularly important as we are an entirely voluntary organisation with no paid staff. Please be assured that this information will only be used in connection with Halliwick AST and will not be released to any other sources.

This information is available and the enclosed form can also be submitted online via the website - www.halliwick.org.uk and follow the links under 'What's New'.

Please feel free to pass this information on to anyone you know who has also done any Halliwick training and who might also be interested.

We look forward to hearing from you and maybe see you at one of our events in the near future

Yours sincerely, Pamela Galloway-Secretary, Schools, Hospitals & Training Committee
